Re: **SAFELY SURRENDERED BABY LAW**

Attention Gorman High School Students and Parents,

California Senate Bill 1386, also known as the Safely Surrendered Baby Law, states that any infant less than 3 days old may be surrendered to any hospital room, or any designated city fire station without arrest or prosecution as long as it is determined that the infant was not intentionally harmed. It is the Gorman Learning Center's intention to assure that all Gorman High School students and their parents understand this imperative information. If you have any questions regarding this matter, please call the counseling office at (909) 307-6312.

Student – Please write out the following sentence on the line below: “I have read and understand the above information.”
